

Individual and Corporate Sponsorships

BECOME PART OF THE IBACA ENTERPRISE!

It isn't often that new, untapped markets emerge in any field or industry, let alone in a sport as established and popular as baseball. IBACA offers a rare opportunity for sponsors to get in on the ground floor of an extraordinarily rich new source of talent, introducing their names and products to generation after generation of players who promise to make an indelible mark on Major League Baseball. The experience of working with these products during their formative years and associating these brands with baseball excellence will stay with these gifted young players for the rest of their lives.

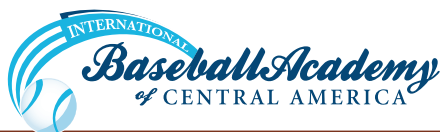

The IBACA project will encompass playing fields, a track, a cafeteria, administrative offices, player dormitories, classrooms with computers, trainers' room, gym/weight room, practice infields (half-field), pitching mounds, storage and maintenance facilities.

Accompanying the various phases of the project will be numerous sponsorship and naming opportunities for corporations or individuals interested in supporting the project and associating their names and products with the future of professional baseball. The following is a sampling of the sponsorship opportunities currently available. In grateful acknowledgment of their support, IBACA will prominently display and promote all sponsors' names and products.

- » IBACA Campus – i.e. “The __[Company Name]__ International Baseball Academy of Central America”
- » Minor League Stadium – i.e. “__[Company Name]__ Stadium”
- » Stadium Scoreboard
